

Product 654911

654911 ProClip

Angled mount

The ProClip is a mounting bracket for the vehicle's dashboard. Onto the ProClip you can install e.g. a holder for your mobile phone or PDA or a handsfree set etc. Safe and convenient -always within easy reach. The ProClip is car specific and easy to install. The installation is quick, no special tools or dismantle of the dashboard is required and it will not damage the interior of the vehicle. Made in black ABS plastic. Comes with detailed instructions.

EAN: 7320286549110

Item no 654911 fits:

Land Rover Range Rover 13-15 (For all countries)

INSTALLATION INSTRUCTIONS

1.

2.

3.

4.

Please read all of the instructions and look at the pictures before attaching the ProClip.

1. Use the enclosed alcohol pad to clean the area where the ProClip is to be installed. Peel off the adhesive tape cover on the ProClip. Press the thin end of the enclosed gap opener into the gap between the console edge and the center console panel frame, to widen the gap. Press the angled edge on the right side of the ProClip into the gap above the gap opener. Pull out the gap opener.

2. Press firmly downward on the left side of the ProClip face plate so the mount flexes forward and the angled edge on the left side of the mount hooks around the console edge panel.

3. Place your finger against the ProClip and push to make sure the angled edge is properly hooked around the panel edge.

4. The ProClip is in place.
